Your Invitation

You are cordially invited to join the RAEME Association (Vic) Inc

One of the problems facing our Association is maintaining a level of Members to remain viable in the long term.

What we think is that Serving Members possibly believe that the Association is in the main for RAEME Members who have retired, which cannot be further from the truth. The association needs more current serving Regular and Reserve Senior Officers, Warrant Officers & Sergeants to become members, setting the example for Junior Ranks to join.

What is needed for the RAEME Association (Vic) Inc to remain viable is an influx of new and younger members. Otherwise, our Association will go the way of other Corps that have been forced to disband due to lack of Members and Funds.

The yearly fee is only \$20-00.

Member Transfers; Interstate Membership

RAV Inc will assist members wishing to join a sister Interstate Association by providing the necessary contacts.

Interstate members that transfer to RAV Inc are only liable for our membership fees when they fall due in June. This is in recognition that the transferring member was financial in their prior association.

VISION STATEMENT

The RAEME Association Vic Inc will continue to promote the Association to broaden our Membership and to enhance our profile in the RAEME, Defence and Veteran Communities.

MISSION STATEMENT

To support the well being and the betterment of our members through providing welfare information and commemorative services and social functions where members can catch up with old mates and form new friendships.
