## **PRESIDENT'S REPORT**

Greetings Bluebells, we have some bad news and some good news, so lets get the bad news out of the way.

We sadly lost our oldest member of the Association at the age of 101 at the passing of Les Bailey, a great stalwart who though not a member of our corps served with RAEME units for many years as a cook and felt that he was at home when in the company of fellow craftsmen. A strong contingent attended the funeral and the Association made a presentation of the National Flag to the family.

Secondly we had to return an amount of \$5620 to the DVA which was provided to enable us to subsidise the cost of a bus trip, but despite our efforts over two years we were not able to gain sufficient interest to warrant the conduct of the trip even though the cost was minimal to those members who could have attended. We attempted to have the funds re allocated to another project but this was refused by DVA.

**THE GOOD NEWS.** We are going from strength to strength with new members being recruited in the Chapters and the attendance at functions increasing and the support from serving soldiers becoming more regular. Also the influence of the Corps being reflected in the appointment of RAEME personnel in command positions. (Comd 4CSSB).

Our pilgrimage to the Shrine was a great day with over 100 in the Sanctuary and at the RAEME Tree, followed by over 60 at the luncheon (more than we had catered for ) but the National Service Association who catered on the day rose to the occasion and there was plenty of food and some took home goody bags. Thanks to Capt Berdg Papazian for the chocolate treats.

A meeting in January at Seymour RSL saw the rejuvenation of the Seymour Chapter which was followed by a regional meeting of the RAEME Association of Victoria Committee at Dave Maddick's home which was well attended by both Committee and guests from Seymour and Bandiana Chapters. My thanks to Dusty Miller's lady ("The Grasshopper") for her sterling effort in making the salads and to Dave Maddick for the bush BBQ.

Reports were given on the Birthday Dinner - a great success, and the presentation of the Craftman of the Year (Ares) to Cfn Mark Stonehouse.

Chapter reports indicated that regional functions were well attended and that future activities are in preparation.

Our Spanner Packs have been well received in both Timor and Afghanistan and letters of thanks have been received from ASMs and OCs.

The Vietnam Chapter advised that Fred Greenaway had resigned from his position as Treasurer due to failing eye-sight. Ross Smith has accepted the position. Thanks to Fred, a long serving Bluebell.

Please read and act on the notices in this edition of the Flash regarding Anzac Day activities and the Presidents Luncheon . We need your support to make these a success and to honour our widows at the Presidents Luncheon.

To those who are not enjoying good health at this time please let us know so we can let your mates know and get well soon so we can enjoy your company at the functions.

Recently Alan Rogers and I held a meeting with Tony Minniti at Victoria Barracks Melbourne in relation to forming a Chapter of the Association at Victoria Barracks. Tony is sure he can meet the requirements of the rules and will be contacting RAEME .people employed at the barracks and at Defence Plaza and will be in contact prior to the next Committee meeting in April.

Last month several Members of the Committee attended a meeting with the Seymour Chapter with 32 of the Seymour Chapter in attendance; it was pleasing to see that the Chapter is still maintaining its members. During March a Committee of Management meeting was held in Seymour at Dave Maddick's home with members of the Seymour Chapter in attendance with the Chapter hosting a light lunch.

Many may be aware that our Committee member Allan Hawkins is now deployed in Timor Leste as the ASM of Combat Service Support Joint Task Force 631. The Association received several DVD's & novels with the request from the donors that they are forwarded to the RAEME troops in Timor; these items have now been sent off via the AFPO Sydney with a letter of appreciation from the OC having been received.

On Thursday 1st March several members attended the funeral of our oldest & life member Les Bailey, Les was aged 101 years. Les was well known for the fact he always claimed that he killed more of our soldiers with his cooking than the Japanese.

During March Leonie Cartledge had a pacemaker fitted and is now back on the road to recovery

## RAEME Remembrance Service BANDIANA – February 2012

Chaplains Rod Bailey and Rick Tilden led the seventh Remembrance Service held by the Bandiana Chapter of the RAEME Association of Victoria. Attendance has been increasing at the twilight services since the first in 2006 at the Craftsman Memorial at Bandiana. For all those services ASEME has provided support with the catafalque party, an address by the CO / CI, advice from the Corps RSM and help from the SO2 Corps Heritage, MAJ Graham Anderson.

*Chaplains Rick Tilden  
and Rod Bailey*

*LTCOL David Phillips delivers the address  
at the Craftsman Memorial*

Our Corps Prayer has been recited by the Corps RSM, WO1 Jason Ballard at three of our services now and the Ode to Remembrance variously by Secretary George Reid, Barb Prenter, a RAEME widow and on two occasions by original Craftsmen from 1942.

Wreaths are laid by those organisations which have RAEME office holders; Wodonga RSL Vice President – Rodney Bolt, Tallangatta RSL President - Geoff McCormack, Myrtleford RSL past President – Albie Cunningham OAM, Murray Border Association of Vietnam Veterans President – Gary Treeve and Rutherglen RSL President David Martin OAM.

*David Martin and Barbara Prenter*

David received his OAM seven days before for many years of service to the Murray Valley Centre and many other community contributions. Barbara Prenter, President of the Murray Valley Centre, lays the wreath with David to also honour RAEME widows. Names of those who have passed during the year are read out. After the Service many gather at the "Stump" catch up and have dinner.

With increasing numbers turning out there are many faces to test memories including some who are office holders who will be asked to take part next year. Dave Miller is the Patron of the National Service Association and Jim Hislop is the Heritage Officer of the Australian Army Apprentices Association. Community involvement by many in our Chapter gives us pride.

## The Craftsman

Monty said way back then, for his force to be,  
Men of skill and resourcefulness, was what he had to see.

Tenacious troops he called upon, men with grit and trade,  
To fix his tanks when they went wrong, a mammoth task he made.

When he called, along they came, with spanners in their hands,  
To the western front, in the thick of it, to far and distant lands.

Keeping battles moving on, repairing tank and gun,  
Making good the final plan, which finally beat the Hun.

After that a Corps they formed from all who seen the war,  
Defining roles, trades and jobs, to make a purpose for,

These important men with their tools, to keep equipment going,  
Maintaining the punch and ferocity to stop the force from slowing.

That was then, those days have passed, thanks to father time,  
Different tasks we take on now, different hills we need to climb,

But upon the world the horse in chains with lightning at his rear,  
Stands there solid a new symbol of those times that we hold dear.

Within our team, within our Corps, within the women and men,  
A pride in what we have to do, a pride that we had then.

Our skill and fight our motto says to keep the bad at bay,  
Doing things how it's always been, doing things the RAEME way.

## DAVE MARTIN RAEME AND COMMUNITY STALWART AWARDED OAM

The photograph of RAEME Association Victoria - Bandiana Chapter (RAV-B) members below was taken at the Vietnam & Associated Veterans Club in Wodonga on Saturday, 17 March 2012. The group was at a reception attended by several State and Local Government Representatives and by members of the Murray Valley Centre (MVC) Incorporated, the Returned & Services League (RSL), Legacy, the Army School of Electrical and Mechanical Engineering (ASEME) and the RAEME Association. It was held in recognition of the awarding on Australia Day 2012 of the Order of Australia Medal (OAM) to David Martin, who is Chief Executive Officer (CEO) of the MVC and a member of RAV-B.

David lives in Rutherglen with his wife Kay and was a Councillor of the Rutherglen Council, which is now part of Indigo Shire. As a Past President, Treasurer and current Secretary of the Rutherglen RSL Sub-Branch, David has made an outstanding contribution to the Rutherglen Memorial Gardens over twenty years. He was awarded the OAM in recognition of his long service to the nation, the disabled, the aged, to Veterans and to the Albury-Wodonga and Indigo Shire communities. As well as his military service and service to the disabled through his work with the MVC, David served for twenty years as a Legatee in Sydney, Melbourne, Townsville and Albury Legacy Clubs.

RAV-B is proud to have Dave Martin as one of its members and is pleased that his long contribution to the community has been officially recognised by the nation.

**SEYMOUR CHAPTER REPORT**

G'day and Happy New Year from Seymour

We started our new year by once again hosting the RAEME Association of Victoria, Committee of Management February meeting at David & Sonnyia's rural property. Due to personal commitments, the meeting this year was held in March and unfortunately on the Labour Day long weekend and therefore numbers were down on previous years, with six Committee members from Melbourne attending, along with Col Comdt Brian (Buck) Jones and George Reid (Bandiana Chapter and Committee) and four members of the Seymour / Puckapunyal Chapter.

Following the meeting, a BBQ and get together was enjoyed by all attending. Due to the absence of Sonnyia Maddick (post funeral duties in Swan Hill), catering assistance was sought by the Ladies of the Seymour Chapter and I would like to thank Wendy Madex and Lynne Lee, for their assistance.

After 40 plus years of living in Seymour, Mrs Kath Harlow, wife of Joe, deceased, Kath has decided to sell up and move to Sydney to be with her daughters and grand children. We wish Kath all the best in her new lifestyle.

INTERNATIONAL STABILISATION FORCE  
 Joint Task Force 631

I wish to take this opportunity to thank you and the RAEME Association on behalf of the RAEME contingent that is assigned to JTF631 for operation ASTUTE, for the Spanner Packs that we have received

These Spanner Packs have been well received by the members of the WKSP with them all enjoying the contents. The books and movies have been placed within the recreation hut of our Base for all to enjoy, and it is with much delight that I see soldiers engrossed in these books around the RAEME Brew point

Please pass on my thanks to the Association and to those members who tirelessly give their time in ensuring that the Spanner Packs are collated and distributed to those soldiers who are on operations. It is of a great boost to the morale of the soldiers, especially to those who do not receive parcels from back home.

Once again thank you for the effort that goes into spreading the RAEME spirit and culture to those members that are on operations. It is sincerely well appreciated by the RAEME members and others on Operation Astute

## 105 Workshop Logo

**The workshop is currently looking at re-introducing a Logo.**

What they currently have is the rhinoceros logo that was used by Capt Rick Richard in the late 80's-90's for a couple of exercises.

I was **wondering if you have anything with the Emu Logo** that Brett James and I drew up in the early 80's, around the time of Kerry Brindell, Dave Fields era.

**It was an Emu standing on a spanner with two crossed swords and a chain around it.**

If you have anything that may help it would be greatly appreciated as the new ASM wants to gather up some of the more recent history of the Workshop.

## Message from Tim Dean

As you probably are all aware now, my Dad, BRIG John Dean, is in a home in Malvern Road, Armadale and is enjoying life! He generally in good condition and in pretty good spirits, although like many of his compatriots (especially the gunners) his hearing is a problem and people 3 rooms away often are privileged to share in his whispered conversations!

He often talks of his time in the army and especially the good times and friends he made in RAEME over his many years. I mentioned to him the Corps plans for ANZAC day, marching and the reunion and he asked me to send you all his best wishes and to advise he will be walking with you in spirit on the day.

With best regards

Tim
